Hello Ms. Vlasaty.

Hope you are having a great week. I was hoping to have an update on the approval of our Facility Use Application, soon.

An update would be greatly appreciated.  
June

Good Evening-

You should have received formal approval today. If you have not, please let me know.

Please also note that no flyers, etc. can be provided to students/ families. This is a reminder to all non affiliated school organizations. A full outline is located in Board Policy.

If you have any questions, please let me know. Thank you for your communication and I wish the best in the future!

To: Jaime Vlasaty <jaime.vlasaty@svpanthers.org>

Hello!

We did receive approval today! Thank you! I am hoping to hear back from Kathy Florindi soon

regarding some logistics regarding when ASSC volunteers can have access to set-up for ASSC.

I do appreciate being pointed to the Board Policy. Is this the most up-to-date version? <https://www.svpanthers.org/cms/lib/PA02203711/Centricity/Domain/495/913%20approved%204-27-2020.pdf>

It appears that one of our parent requestors for ASSC has received Good News Club flyers for their student in their backpack every year for the past 4-5 years (attached). I am very curious to learn how they were able to do this, considering the policy was last updated on 4/27/2020?

It appears that according to the policy under, "Non-School Materials" (referenced on page 3 above) that "The Board requires that non-school organizations, groups, or individuals who wish to distribute or post non-school materials on school property **shall submit them to the building principal**. The building principal shall inform the Superintendent or designee of requests received from non-school organizations, groups, and individuals. Prohibited activities and materials shall not be permitted. If approval is granted by the building principal, the non-school organization, group, or individual shall comply with Board policy and administrative regulations, and the district's time, manner, and place restrictions for distribution and posting of materials. Materials issued by non-school organizations, group, or individuals shall not be distributed during instructional time or school-sponsored activities."

I'm assuming that sending the permission slips home in a take-home folder meets the part about, "Materials issued by non-school organizations, group, or individuals shall not be distributed during instructional time or school-sponsored activities." Is this how the Good News Club permission slips manage to go home every year?

I would greatly appreciate an explanation. Truly—thank you for your communication as well. It has been most pleasant!

Good Evening-

I am new to the Superintendent role- first year. I realized that this was not being followed by our building administrators consistently and has since been resolved. I have been told by the Good News Club organization that this has happened in the past as well when we conveyed that they were not to be distributing the forms. As you can imagine, the Good News Club along with other clubs/ organizations were not happy at all.

If the community members receive one of these, please have them reach out to me or to the building principal as this would not have been through them and will need to be resolved immediately.

Please let me know if you have further questions, my "email" is always open! 😊

Hello!

I truly appreciate your reply, and understand. As long as everyone is under equal treatment moving forward—I am all for it!

I will be sure to let our parents know to reach out to you should they receive a GNC flyer.

We will proceed forward with promoting the club through our local congregation in the area, and local supporters.

Also, I did hear back from Kathy and she explained she is unable to help me with some of the questions that I had regarding some of the logistics. Do you mind pointing me in the right direction to have these questions answered so that we can plan accordingly? Should I reach out to the school principal?

Thank you!

*Just a few questions that I would greatly appreciate answers to.*

*What time can our ASSC volunteers enter the school for club set-up? We would like to be set and*

*ready to go to meet the students when they show up after dismissal. Is there anything required from ASSC volunteers from the front office to be cleared/allowed entry?*

*If there are any other details that we need to know in order to prepare for our first meeting, please let me know.*

Thank you!

Good Afternoon-

The volunteers will not be able to access the building for set up until after dismissal.  
I have included the principals of both the elementary school and middle school so they are aware.  
If you have communicated with facilities and they have reserved an area for you, they will have everything set up as you preferred.

If you have any more questions, specific to the building, they can assist you.

Hello All!

This should be fine, we just want to ensure there aren't students that are left without adult supervision before our volunteers can arrive. This is exactly what happened at our club in California and it was not good.

I have copied in Susannah Plumb who will be driving in to assist our volunteers with the first club launch.

Is there anything else you need from us? What would be the exact time you would like us to be at the school so that we can enter the building?

Thank you!

Good Evening-

We simply approve the applications based on the times/ dates that are provided by any organization. Your organization will need to determine if there will be different times/ dates that you will need to accommodate your intended audience. You will then need to send these dates/ times to facilities as revised dates/ times to ensure that your reserved location is available and if not, if there is another location that meets your dates/ times.

The sooner this is done, the sooner you can revise your parent permission slips.

Thanks so much!

Hello!

Since we will be in the Middle School building, I'm assuming we are allowed to enter the middle school building once the middle school is dismissed, is this correct? What time is middle school dismissed, and we will plan to enter the building at that time. We will then meet the elementary school students who come over to the middle school, and dismiss them with their parents/legal guardians at 4:30 as stated in the application.

Thanks.

Hello.

Quick question.

If we have signed permission slips for middle school children, are they allowed to meet us at 3:00 PM in the Middle School LGI room, correct? I can advise parents that they will need to leave the school and come back, should they wish to attend club as our volunteers won't be in the room until 3:00.

Thank you!

June

Good Morning,  
Yes, you have access to the MS LGI at 3:00 until 4:30 pm on the dates you requested.

Thank you,  
Kathy Florindi

Hi Kathy!

Not to complicate things, but is the room available earlier on our requested dates? I believe we will have some middle school kids wishing to join. If not, we can have them come back at 3.

Thank you!  
June

Hello June,  
What time are you looking to come in? There won't be any custodial coverage for the room until 3.

Thank you,  
Kathy

Hi Kathy!

2:30 PM would be perfect so that we can greet the middle school kiddos. No worries on the custodian, we shouldn't require anything but the lights being on, and tables/chairs.

Thanks again.

June

Hi June,

I changed your time to 2:30 and you are still ending at 4:30. The light switches are on the wall, the custodian will be there at 3 to set up tables. Chairs are in the room already.

Hi June,

One more thing. Please sign in at the Main Office in the MS as you will be coming in as children are still in the building.

thank you,

Kathy

Hi Kathy!

I have also received your email regarding the light switches and tables/chairs, and our volunteers will plan to arrive at 2:30 PM at the Middle School entrance. Thank you.

We will be sure to check in at the middle school front office for each club meeting day.

Thank you again, and please reach out any time.

June
